GREEN TALENTS

International Forum for High Potentials
in Sustainable Development

AN INITIATIVE OF THE

GREEN TALENTS APPLICATION GUIDELINES 2011

Please submit your curriculum vitae, exposé and references by e-mail in the form of a PDF document to the International Bureau (IB) of the German Federal Ministry of Education and Research (BMBF) by 29 July 2011: greentalents@dlr.de.

Incomplete submissions cannot be processed. They will result in the disqualification of the application. Do not forget: the age limit is **35 years**.

GREEN TALENTS EXPOSÉ

Two pages maximum

Please consider the following questions when explaining your motives for participation:

- >> Please explain your specific interest and expertise in the field of research on sustainability and/or green growth and demonstrate your interdisciplinary interest, also describing how sustainable growth could be achieved.
- >> Why do you want to learn more about Germany as a key location for sustainable research? Have you already visited Germany?
- >> What do you expect to gain from this experience for your future scientific career?
- >> Which experts would you like to meet in Germany (mandatory!), and why?

REFERENCES

Please enclose a **letter of recommendation** or expert opinion focusing on your career as a scientist and activities up until now.
